MOOD:  accomplished

Okay, I'm posting the list of invitees. If you're on it, and you haven't got your invitation yet, let me know! (Hey, the USPS is a Government Agency, which would never Screw Up, but just in case.)

Wabbit, ask the NotaBoy if he got his? I addressed his envelope with much trepidation, remembering the time he told me to call him on his home phone and gave me the number for Montgomery County Animal Control.

John Worth

Loretta Worth (great-aunt. Springfield, IL. Not likely to come.)

Frances Andreoli

Ben and Jaqui Andreoli (in Germany. Also not likely.)

Joseph Peter Andreoli (who'd better come, since he still owes me for taping his ankle after he fell off his ski boots)

James, Diane, and Tori Andreoli

Marian Andreoli, Mitchell Vincent, and Lucia Andreoli Vincent

Erik Holt

Gail Petoski

Hafidha Gates

Chaz Villette

Solomon Todd

Nicolette Lau

Daniel Brady

Esther and Ben Falkner, Rebekah Falkner, Deborah Falkner

Stephen Reyes

Peter Pauley

Carol Scholler and Shavaughn Scholler-King

David and Gina Feldman

Tanika Ravo

Tasha McAndrews

Michael Ordman

Archie Boles (he won't come, but I couldn't resist)

Mina and Nancy Brown-Casey

Thirty-five people. Good grief. Well, it's bound to be thirty or fewer after the RSVPs. Platypus, are you *sure* you can cope with that much cake? And I trust you utterly on arranging the rest of the catering.

At least I'm not nervous and flakey and obsessive (in short, stereotypical bride-like), and neither is T. Yet, anyway. But honestly, it's two weeks away this Saturday. You'd think if we were going to get crazy, we would have.

And because my sweetie has Faculty Privilege, we've got [a pretty swell venue](#). (https://www.livejournal.com/away?to=http%3A//gwired.gwu.edu/mvcl/newmvevents/events_spaces/posthall/) (Yes, except for parking. But it's Washington, D. C., and the initials stand for Despairing Commuters. That's just how my town is. *g*)

I've already started grating your carrots.

By the way. Don't make any plans for the 5th. And tell me or the Wabbit how many people you and T. want at your stag party.

Is Duke doing the ceremony? ;-) Are you that brave?

Dropping hints! NO FAIR!

[COLLAPSE](#)

We call that a *hint* nowadays? *g*

Well, he told you there was going to be a party.

Yeah, I only question whether that's classed as a "hint" or as a "dude, include the time and the address, why dontcha!" *g*

But he did kind of have to tell me not to go to a movie or something. And once you've done that, it's nice to know we're staying home in order to be carried off to something fun.

The address is the surprise.

We have reservations.

Wanna guess?

If it's Medieval Times, I may hang myself with a pennant. Just so you know.

(Actually, Medieval Times with you guys would be much more fun than it would ordinarily be. But you really don't want me drinking too much and pointing out historical anachronisms at my stag party.)

Oh, hell no. I wouldn't subject my best girlfriend to greasy cornish hen on the eve of her wedding.

You will want to dress beautifully and comfortably. With room to expand.

 [trollcatz](#)

[August 21 2008, 02:20:22 UTC](#)

[COLLAPSE](#)

Yikes! It is not possible that I should love you guys even more. But from the sound of it, I'll get a chance to try.

(T. knows how to dress beautifully and comfortably. I manage one or the other.)

...I'll pick your clothes.

Hmmm, scary or reassuring? Half 'n' half? *g*

[COLLAPSE](#)

And do your hair and makeup for the ceremony?

 [trollcatz](#)

[August 21 2008, 02:46:00 UTC](#)

[COLLAPSE](#)

...

...What, you don't remember the struggle I put up last time? I am a stiff and skeptical Harpy, and not worthy of your exertions.

 [Ometotchtli](#)

[August 21 2008, 02:49:57 UTC](#)

[COLLAPSE](#)

Think of this as your second chance to profit from my brilliance and goodwill.

Besides, T. wanted to see you as a redhead.

 [trollcatz](#)

[August 21 2008, 03:14:11 UTC](#)

[COLLAPSE](#)

GAH! I am ganged up on. T. says I have to.

I cave to peer pressure!

 [Ometotchtli](#)

[August 21 2008, 03:15:20 UTC](#)

[COLLAPSE](#)

I will make you look even hotter than normal. (Tell T. I approve.)

T. sez "<3."

Just as I clicked "post comment," I thought, *uh-oh*. Then I decided you'd been so good I'd let you have one.

 [trollcatz](#)

[August 21 2008, 01:31:21 UTC](#)

[COLLAPSE](#)

Hmm. Stag party. Doe party. Stag in Drag Party!!!!

Well, I've got to have you and Wabbit and Duke there. And T.'s Babe of Honor, Carol. And Mina and Nancy. Duke, you'll love Mina. She teaches Journalism Ethics. *g*

We were SORELTY TEMPTED by the idea of Duke doing the ceremony. But one of T.'s buds in the history department is a Universalist minister with a nice line of patter. (Not, of course, as good as Duke's.)

 [Ometotchtli](#)

[COLLAPSE](#)

Hey, how was climbing?

 [trollcatz](#)

[August 21 2008, 02:17:30 UTC](#)

[COLLAPSE](#)

I fell off a 5.7. It was embarrassing. Platypus's reports I leave up to him.

 [trollcatz](#)

[August 21 2008, 02:48:09 UTC](#)

[COLLAPSE](#)

Except he seems to have pronounced on the carroty goodness and gone off to bed. (Which is good--he was kind of underslept, I think.)

 [Ometotchtli](#)

[August 21 2008, 02:51:00 UTC](#)

[COLLAPSE](#)

I was wondering if you had taped all his fingers together so he couldn't type.

 [trollcatz](#)

[August 21 2008, 03:18:59 UTC](#)

[COLLAPSE](#)

His fingers worked when he left the gym, anyway. (He complains bitterly about the deterioration of his toe calluses, however. Dear god, a sport in which one treasures one's toe calluses. How did I get here, I wonder?)
